ABOUT EUROVETS

EUROVETS IS YOUR COMPLETE SUPPLY AND SOLUTIONS PARTNER

Eurovets, established in 2001 has become the Middle East's foremost supplier of some of the world's best known veterinary products to veterinary clinics throughout the UAE.

We represent leading multi-national brands in nutrition, veterinary equipment, medicines and consumables for companion, equine and production animals. In addition to the traditional wholesaling, Eurovets provides warehousing, distribution, marketing and sales resources in order to support the product in the region.

We also offer a host of value-added services such as maintenance and support for all equipment supplied; service-based offerings such as allergy testing; even end-to-end IT solutions for clinics.

Eurovets supports Continued Professional Development, imparting knowledge of the latest developments in the field to veterinary professionals through high-powered seminars.

We pride ourselves on our professional approach and offer vet specialized product advice where required.

In conclusion our mission is to not only deliver excellent products but to be committed to deliver exceptional customer service to all veterinary clinics and pet retailers in the region.

Eurovets YOUR headquarters for veterinary supply and support and a proud distributor of the Mavlab brand.

For over 45 years Mavlab has been at the forefront of developing, manufacturing and marketing high quality animal health products for both the Australian market and growing export markets. Mavlab is licensed by the APVMA under the code of Good Manufacturing Practice and leads the way in quality system development, having been the first veterinary manufacturer to achieve ISO 9001 Quality Accreditation in 1994.
