ABOUT EUROVETS

EUROVETS IS YOUR COMPLETE VETERINARY SUPPLY & SUPPORT SOLUTION

Eurovets, established in 2001 has become the Middle East's foremost supplier of some of the world's best known veterinary products to veterinary clinics throughout the UAE.

We represent leading multi-national brands in nutrition, veterinary equipment, medicines and consumables for companion, -equine and production animals. In addition to the traditional wholesaling, Eurovets provides warehousing, distribution, marketing and sales resources in order to support the product in the region.

We also offer a host of value-added services such as maintenance and support for all equipment supplied; service-based offerings such as Spectrum allergy testing; even end-to-end IT solutions for clinics.

Eurovets supports Continued Professional Development, imparting knowledge of the latest developments in the field to veterinary professionals through high-powered seminars.

We pride ourselves on our professional approach and offer vet specialized product advice where required.

In conclusion our mission is to not only deliver excellent products but to be committed to deliver exceptional customer service to all veterinary clinics and pet retailers in the region.

Eurovets YOUR headquarters for veterinary supply and support and a proud distributor of the MILA brand.

MILA International is an innovative company which has developed veterinary medical products otherwise commercially unavailable.

Since 1991, MILA International has consistently prided itself in the areas of innovation, education and customer service. The MILA brand is recognised globally for its dedication to the teachers, technicians and doctors of veterinary medicine. They are a leading provider of critical care products for all animals throughout the world. Their range of products offer great value for money without compromising on quality. Selected for excellent quality and value we offer products you can trust will fulfil your veterinarian needs. The MILA Brand offers unbeatable value, superior quality and guaranteed service. Practice demands and clinical procedures are always advancing, so keeping ahead they continue to produce innovating and refined veterinary consumables.

With MILA, you can do more and treat better. Proudly distributed by Euorvets, in the UAE.

CATHCOLLAR - NECK SIZE 7 TO 10 IN - TOTAL LENGTH 11 IN

For comfortable and secure protection of indwelling esophagostomy catheters.

- Ultra-Slim, narrow width for maximum patient support and comfort. Less than 1/2 centimeter thick.
- Sizes for cats and dogs for use with esophagostomy tubes, BE tubes, central lines, and to protect glucose monitors.
- Channel allows for quick and easy collar placement around the catheter.
- Elastic mesh storage pocket for proximal end of E-tube when not feeding.
- Durable construction with foam padding.
- Each collar sold with absorbent pads.
- Clinic collar is solid blue color.
- Washable and reusable. For best results, ensure hook and loop fasteners are closed before washing.

- Species: All / Non-Specific
- Client: Vet / Clinic
- Category: Veterinary Consumables

| Eurovets Code | Size |

| E010468 | 7 to 10in - Total Length 11in |

REPLACEMENT ABSORBENT PADS - 24 PACK

Replacement Pads for CathCollar™

- Species: All / Non-Specific
- Client: Vet / Clinic
- Category: Veterinary Consumables

| Eurovets Code | Size |
|---------------|--------|
| E010474 | 24 pcs |

CENTESIS ADAPTER WITH TOTAL LENGTH 12.5 CM (5 IN)

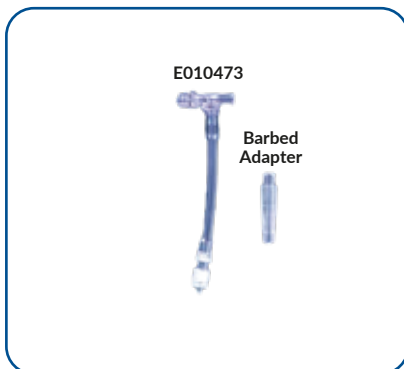

Allows aspiration and evacuation without disconnecting the syringe. Includes barbed adapter.

- NEW COLLECTION BAG - 1000ml, 15in drain line with luer lock, anti-reflux valve and fluid drain port.
- Unique valve allows aspiration and evacuation without disconnecting the syringe, and without turning a stopcock. SAVES TIME AND AVOIDS MISTAKES.
- Use as a chest tube adapter.
- Use for chest tap, belly tap, or anytime you want to remove air or fluid.
- Includes a barbed adapter to fit 18-34Fr flared tubes.

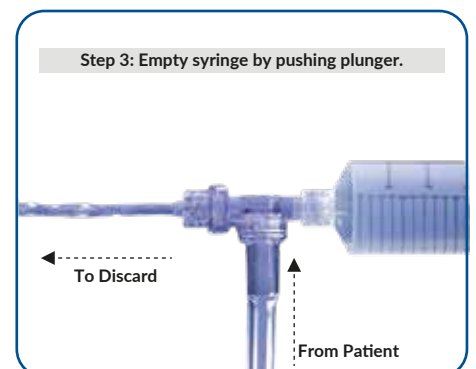

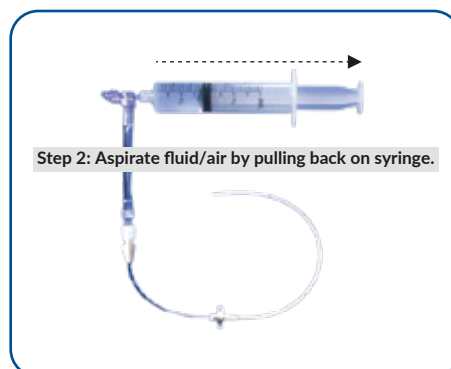

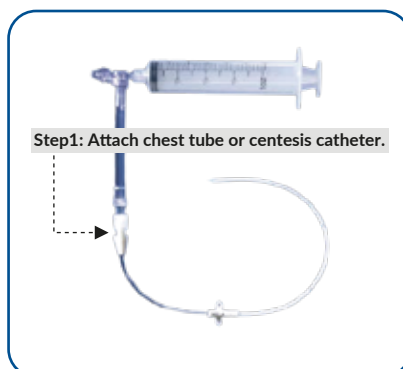

- Species: All / Non-Specific
- Client: Vet / Clinic
- Category: Veterinary Consumables

| Eurovets Code | Size |
|---------------|---------------|
| E010473 | 12.5cm (5 in) |

STEPS TO USE

CENTESIS CATHETERS (FENESTRATED)

Catheter-over-needle style. Ideal for tapping pericardial effusion dogs.

- Catheter-over-needle style with smooth transition from needle to catheter that aids in placement.
- Fenestrated with an additional 4 side holes at the distal end.
- Ideal for tapping pericardial effusion in dogs.

- Species: All / Non-Specific
- Client: Vet / Clinic
- Category: Veterinary Consumables

| Eurovets Code | Size |
|---------------|------------------------|
| E010469 | 18Ga x 5 cm (2.5 in) |
| E010472 | 14Ga x 13 cm (5.25 in) |
| E010471 | 14Ga x 9 cm (3.5 in) |
| E010470 | 16Ga x 7.5 cm (3 in) |

DRUM LONG LINE CATHETER 22 GA X 20 CM (8 IN) WITH 20GA INTRODUCER

Catheter Through Catheter Introduction Style

- Kit includes catheter-over-needle introducer, a long catheter with stiffening wire and a drum.
- The Drum houses the long catheter, and is an advancement system designed to minimize touch contamination.
- Introduction technique: Long catheter through introducer catheter.
- The INTRODUCER CATHETER REMAINS INDWELLING, and the long catheter hub locks onto the introducer catheter hub. Since the introducer catheter remains indwelling, the long catheter can be easily replaced through the same introducer, avoiding another needle stick.
- Long catheter material is radiopaque kink-resistant polyurethane, embedded with a fluoro-polymer formula designed to aid in ease of placement.

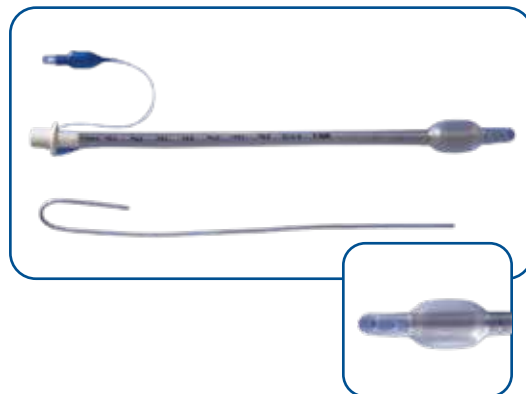

- Species: All / Non-Specific
- Client: Vet / Clinic
- Category: Veterinary Consumables

| Eurovets Code | Size |
|---------------|--------------|
| E010475 | 20 cm (8 in) |

ENDOTRACHEAL TUBES WITH MALLEABLE STYLET 2.5 MM ID, 4.5 MM OD - 13FR X 19.5 CM (7.6 IN)

- Wire reinforcement incorporated into the wall of the tube provides safe, NON-KINKING airway regardless of patient position.
- Constructed of medical grade, non-toxic PVC material allowing for thinner walls.
- Malleable stylet included for increased rigidity and variable shape.
- Latex free.
- High volume, low pressure cuff.
- Radiopaque.
- Fully transparent.
- Atraumatic bevel tip with lateral Murphy eye.
- 15mm connector included.

- Species: All / Non-Specific
- Client: Vet / Clinic
- Category: Veterinary Consumables

| Eurovets Code | Size |
|---------------|---|
| E010443 | 2.5 mm ID, 4.5 mm OD - 13Fr x 19.5 cm (7.6 in) |
| E010460 | 10 mm ID, 13.7 mm OD - 41Fr x 36 cm (14.2 in) |
| E010453 | 6.5 mm ID, 9.1 mm OD - 27Fr x 31cm (12.2 in) |
| E010452 | 6 mm ID, 8.5 mm OD - 25Fr x 30 cm (11.8 in) |
| E010455 | 7.5 mm ID, 10.2 mm OD - 31 Fr x 36 cm (14.2 in) |
| E010454 | 7 mm ID, 9.5 mm OD - 28Fr x 32 cm (12.6 in) |
| E010457 | 8.5 mm ID, 11.7 mm OD - 35Fr x 36 cm (14.2 in) |
| E010456 | 8 mm ID, 11mm OD - 33Fr x 36 cm (14.2 in) |
| E010459 | 9.5 mm ID, 13 mm OD - 39Fr x 36 cm (14.2 in) |
| E010458 | 9 mm ID, 12.3 mm OD - 37Fr x 36 cm (14.2 in) |

| E010447 | 4.5 mm ID, 6.7 mm OD - 20Fr x 24.5 cm (9.6 in) |
| E010446 | 4 mm ID, 6.1mm OD - 18Fr x 23.5 cm (9.3in) |
| E010449 | 5.5 mm ID, 7.9 mm OD - 24Fr x 27.5 cm (10.8 in) |
| E010448 | 5 mm ID, 7.4 mm OD - 22Fr x 26 cm (10.2 in) |

CLOSED VALVE THREE-WAY STOPCOCK

Low residual.

- Species: All / Non-Specific
- Client: Vet / Clinic
- Category: Veterinary Consumables

| Eurovets Code | Size |
|---------------|-------|
| E010461 | 13 mm |

ESOPHAGOSTOMY FEEDING TUBES – POLYURETHANE 14FR LENGTH ADJUSTABLE UP TO 33 CM(13 IN)

- Tapered open end with multiple side holes.
- Clear, non-irritating polyurethane material that resists kinking.
- Secure Y-adapter for feeding, medication and flushing.
- Length adjustable after placement by cutting the proximal end and replacing Y-adapter.
- Suture wing included.
- Radiopaque stripe with depth markings.

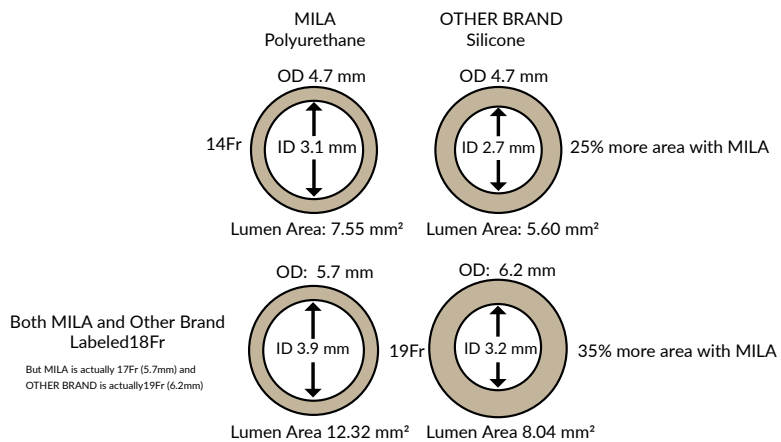

- Species: All / Non-Specific
- Client: Vet / Clinic
- Category: Veterinary Consumables

| Eurovets Code | Size |
|---------------|---------------|
| E010467 | 33 cm (13 in) |

The MILA polyurethane esophagostomy catheter achieves much greater inner diameters with thinner walls, compared to silicone esophagostomy catheters. This results in greater flow rates through a smaller catheter.

LONG TERM MILACATH - 7FR X 20 CM (8 IN) WITH A 14GA & 18GA LUMEN, 18GA CATHETER INTRODUCER

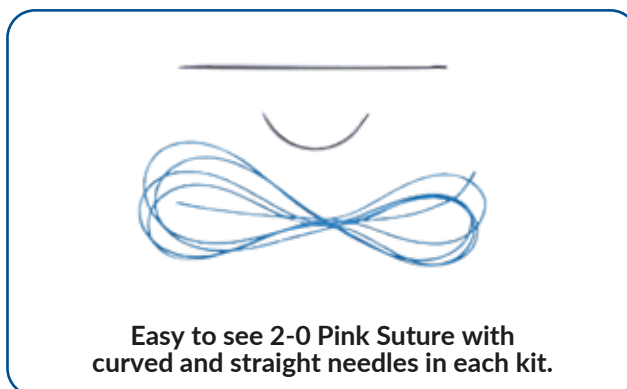

All SMALL ANIMAL KITS include radiopaque catheter, fenestrated drape, scalpel, introducer, guidewire, dilator, 3-0 nylon suture with a straight needle and a curved needle, suture wing, needle free injection port, cap, and gauze. Those that have extensions include clamps.

- Species: All / Non-Specific
- Client: Vet / Clinic
- Category: Veterinary Consumables

| Eurovets Code | Size |
|---------------|------|
|---------------|------|

| | |
|---------|-----------------------------|
| E010476 | 20 cm (8 in) (Double lumen) |
|---------|-----------------------------|

NEUTRAL DISPLACEMENT (STASIS) INJECTION PORT

Prevents blood reflux into the catheter. Does not require clamping to control valve induced reflux. Higher flow rate than the Microclave.

- Neutral Displacement Injection Port PREVENTS BLOOD REFLUX into the catheter tip when disconnecting the syringe or line.
- CLAMPING IS NOT REQUIRED.
- SALINE FLUSH option reduces risk, cost, and time associated with Heparin use.
- Highly recommended to replace all previous style "bungs" and "prn ports" and "older model injection ports."
- HIGHER FLOW RATE than previous ports.
- Used in all CVC kits.

- Species: All / Non-Specific
- Client: Vet / Clinic
- Category: Veterinary Consumables

| Eurovets Code | Size |
|---------------|------|
|---------------|------|

| | |
|---------|----------|
| E010433 | Standard |
|---------|----------|

SAFETY INJECTION PORT

Safety injection port has a built-in stop to prevent accidental tubing or technician puncture.

- Species: All / Non-Specific
- Client: Vet / Clinic
- Category: Veterinary Consumables

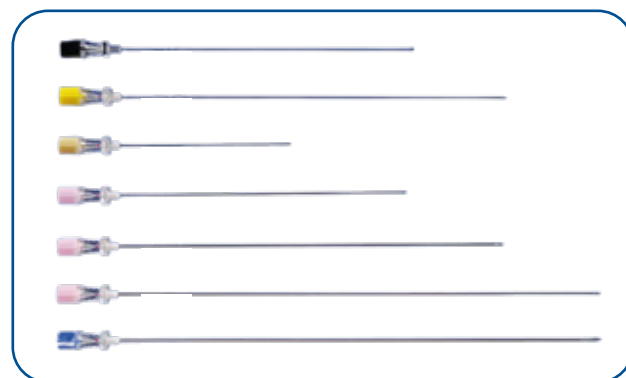

| Eurovets Code | Size |
|---------------|----------|
| E010434 | Standard |

SPINAL NEEDLE

Spinal needles with marked and notched hub for easy tip orientation.

- Species: All / Non-Specific
- Client: Vet / Clinic
- Category: Veterinary Consumables

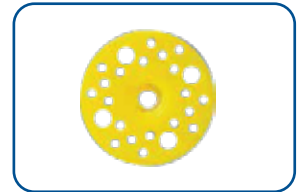

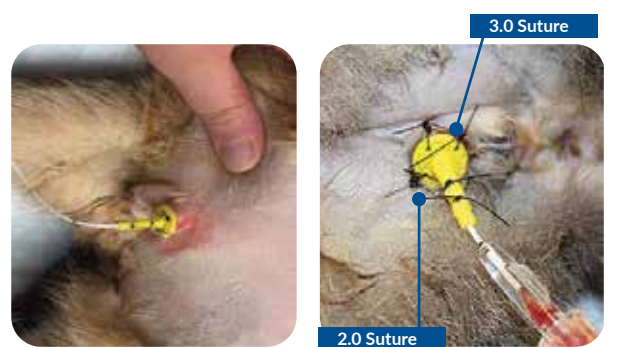

| Eurovets Code | Size |
|---------------|-------------------------|
| E010466 | 15Ga x 25 cm (10 in) |
| E010465 | 18Ga x 15 cm (6 in) |
| E010464 | 19Ga x 8.75 cm (3.5 in) |
| E010463 | 20Ga x 20 cm (8 in) |
| E010462 | 22Ga x 15cm (6in) |

URINARY CATHETER

- One catheter replaces two. Same catheter used to unblock and leave indwelling to drain the bladder. This single device technique is designed to reduce the risk of infection and trauma associated with a two catheter technique.
- FLUSHING STYLET (optional) enables flushing through the stylet during insertion.
- Moveable new suture device allows length adjustment.
- Non-irritating radiopaque polyurethane material with a finished open tip. Catheter is rigid for easy insertion and softens with body temperature.
- Improvement to the standard Tomcat, Jackson and Slippery Sam™ urinary catheters.
- Finished open tip.
- Luer lock for secure attachment to a CLOSED COLLECTION SYSTEM.
- The 25cm length allows for the most flexibility when securing the catheter. The additional length allows for securement of the collection bag connector to occur at the tail or back of the cat, resulting in minimal catheter tension at the prepuce when the cat moves.

- Species: All / Non-Specific
- Client: Vet / Clinic
- Category: Veterinary Consumables

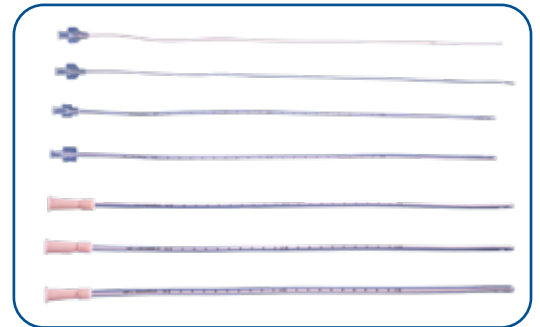

| Eurovets Code | Size |
|---------------|--|
| E010435 | 3.5Fr - catheter, length adjustable up to 15 cm (6 in) |
| E010436 | 3.5Fr - catheter, length adjustable up to 15 cm (6 in), with stylet |
| E010437 | 3.5Fr - catheter, length adjustable up to 25 cm (10 in) |

PINKPOLY WITH FEMALE LUER

- Use for NG feeding, esophagostomy tube, urine drainage, oxygen delivery, and small animal BAL.
- DEHP and PHTHalate Free: Non-Leaching, non-irritating, latex free polymer (PVC) construction that becomes firm when cold. Softens with body temperature.
- Clear catheter body. Designed to easily visualize contents within the catheter.
- Smooth, polished surface inside and out. Minimizes trauma during catheter insertion and removal.
- Radiopaque Pink Stripe eliminates need for contrast. Entire catheter of (3.5Fr) completely radiopaque.
- Centimeter markings on 8Fr-18Fr for precise depth placement.
- Longer lengths for 8Fr, 10Fr, and 12Fr, are adequate for male dogs and for small animal BAL.
- Staggered eyelets help to maintain tip strength during insertion and promote efficient drainage. Rounded, closed tip.
- Female luer hub eliminates need for barbed adapter. Connect DIRECTLY to your syringe or collection set.

- Species: All / Non-Specific
- Client: Vet / Clinic
- Category: Veterinary Consumables

| Eurovets Code | Size |
|---------------|----------------|
| E010578 | 3.5 Fr x 16 in |
| E010579 | 5 Fr x 16 in |
| E010583 | 10 Fr x 16 in |
| E010580 | 8 Fr x 16 in |
| E010581 | 8 Fr x 22 in |
| E010582 | 8 Fr x 42.5 in |

LARGE BORE EXTENSION WITH SPINNER VALVE 18 IN

Large Bore Extension Set with stasis valve; clamp; 360° spinner luer lock; and tethered cap - 13Ga x 46cm (18in) - Priming Volume: 4.8ml

Spinning luer lock resists twisting and kinking of the catheter. Stasis valve prevents blood reflux into the catheter.

- Species: All / Non-Specific
- Client: Vet / Clinic
- Category: Veterinary Consumables

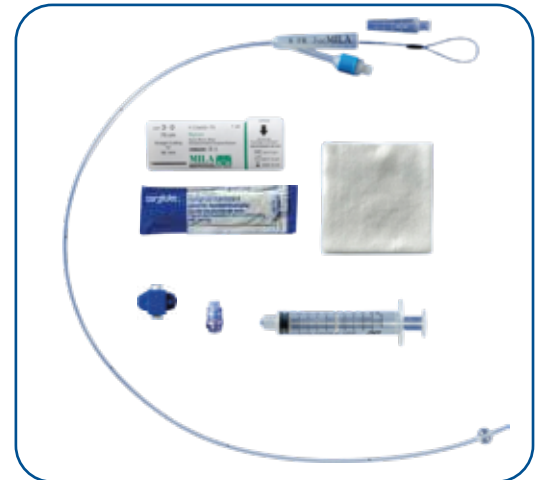

| Eurovets Code | Size |
|---------------|---------------------|
| E010573 | 13Ga x 45cm (18 in) |

FOLEY CATHETER WITH WIRE

- Kit includes radiopaque silicone foley catheter, wire stylet, suture wing, suture pack, female luer lock christmas tree, cap, lubricating gel packet, gauze, and syringe.
- Water activated lubricant on inside of sizes 5, 6 and 8 facilitates wire removal.
- Balloon cuff retains catheter in the bladder.
- The stylet provides rigidity to save time and trauma.

- Species: All / Non-Specific
- Client: Vet / Clinic
- Category: Veterinary Consumables

| Eurovets Code | Size |
|---------------|-----------------------|
| E010567 | 6 Fr x 36 in (90 cm) |
| E010568 | 8 Fr x 36 in (90 cm) |
| E010569 | 10 Fr x 36 in (90 cm) |

HIGH FLOW DOUBLE T WITH STASIS VALVES

Double T with Stasis Valves, Injection Site, Clamps, and Rotating Male Luer Lock

- Stasis valve prevents blood reflux.
- Closed needle free connector with swabable top for easy disinfecting.

- Species: All / Non-Specific
- Client: Vet / Clinic
- Category: Veterinary Consumables

| Eurovets Code | Size |
|---------------|------------------------|
| E010577 | 12Ga x 12.7 5cm (5 in) |

HIGH FLOW NEEDLE FREE Y EXTENSION SET

Stasis Valve, Y Extension, Clamps, Tethered Caps, and 360° Spinner

Large Bore Needle Free Y Extension Set - 12Ga x 15cm (6in) - with rotating male luer lock; clamps; and 2 needle free luer lock valves - Priming volume = 1.5ml.

- Species: All / Non-Specific
- Client: Vet / Clinic
- Category: Veterinary Consumables

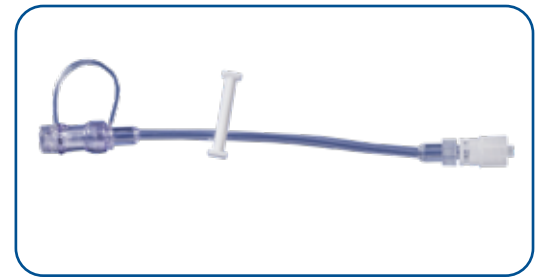

| Eurovets Code | Size |
|---------------|------------------------|
| E010575 | 12Ga x 12.75 cm (5 in) |

LARGE BORE WITH STASIS VALVE

Large Bore Extension Set with stasis valve; clamp; 360° spinner luer lock; and tethered cap - 13Ga x 18 cm (7 in) - Priming Volume: 1.00 ml

- Species: All / Non-Specific
- Client: Vet / Clinic
- Category: Veterinary Consumables

| Eurovets Code | Size |
|---------------|-----------------------|
| E010572 | 13Ga x 17.5 cm (7 in) |

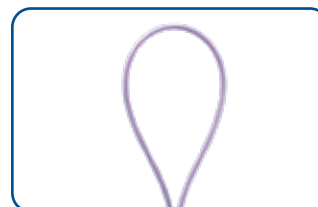

NG PLUS FEEDING TUBE WITH FLUSHING STYLET

- Use for decompression and feeding.
- Can be left indwelling for days.
- Round, soft atraumatic closed tip with side holes.
- Stylet pre-loaded in every tube and designed to allow easy wire removal in tight turns.
- Flushing stylet to facilitate insertion.
- Dual port designed for funnel syringe and luer slip syringe.
- Superior kink resistance.
- Non-irritating, LOW FRICTION, clear radiopaque polyurethane with purple stripe, depth markings and suture wing.
- Color coded purple for safety.
- OTHER USES - oxygen delivery, male canine urine catheter, surgically placed jejunostomy tube

- Species: All / Non-Specific
- Client: Vet / Clinic
- Category: Veterinary Consumables

WHY EUROVETS?

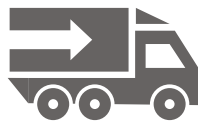

IMPORTER

Source and import the highest quality products to meet the needs of veterinary, equine and camel markets across the GCC region.

SEMINARS AND CPD EVENTS

Continuing professional development (CPD) seminars and events deliver relevant, practical knowledge for veterinarians and healthcare professionals.

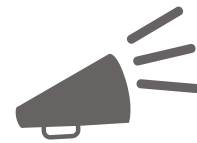

LOGISTICS, FLEET AND DISTRIBUTION

Temperature-controlled vehicle fleet and state-of-the-art inventory management system.

FACILITIES

Fully certified,
Temperature-controlled warehouses.

BRAND MANAGEMENT & MARKETING

Digital & traditional marketing support for the brands and products we represent.

AFTERMARKET SOFTWARE AND SUPPORT

In-house technical field support team provides onsite installation, staff training, equipment maintenance and software updates.
