

ABOUT EUROVETS

EUROVETS IS YOUR COMPLETE VETERINARY SUPPLY & SUPPORT SOLUTION

Eurovets, established in 2001 has become the Middle East's foremost supplier of some of the world's best known veterinary products to veterinary clinics throughout the UAE.

We represent leading multi-national brands in nutrition, veterinary equipment, medicines and consumables for companion, -equine and production animals. In addition to the traditional wholesaling, Eurovets provides warehousing, distribution, marketing and sales resources in order to support the product in the region.

We also offer a host of value-added services such as maintenance and support for all equipment supplied; service-based offerings such as Spectrum allergy testing; even end-to-end IT solutions for clinics.

Eurovets supports Continued Professional Development, imparting knowledge of the latest developments in the field to veterinary professionals through high-powered seminars.

We pride ourselves on our professional approach and offer vet specialized product advice where required.

In conclusion our mission is to not only deliver excellent products but to be committed to deliver exceptional customer service to all veterinary clinics and pet retailers in the region.

Eurovets YOUR headquarters for veterinary supply and support and a proud distributor of Rita Leibinger products.

ABOUT RITA LEIBINGER

RITA LEIBINGER is not just a manufacturer of medical products. In addition they have a system of key-manufacturers in place, which enables them not only to develop high-quality innovations but also to respond to our customer's needs.

Our range from Rita Leibinger Focuses on innovative products specializing in 3D knee and spinal implants for companion animals. All their products are based on a certified manufacturing standard and are permanently controlled on the quality presented.

TTA RAPID

**RAPID** = IMPLANTATION

The TTA *Rapid* is design engineered to maximize stability of construct and provide easy and secure implantation. Reduced surgery time

RAPID = BONEGROWTH

The open and interconnecting porosity of our biocompatible implant enables bone growth throughout the complete implant

RAPID = RECOVERY

The purest grade Titanium and the optimal placed implant results in a fast recovery and reduces the chance of infection

RAPID = KNOWLEDGE

Trough the simplicity of the technique and the instruments a rapid experience level will be achieved
